Hi,

I just got off the phone with Steve Silzer. We can proceed with redacting names of federal employees. This would apply to the videos including images of employees and/or sound bites where the employee could be identifying themselves. It sounded like this may not be applicable, but I figured it might be worth mentioning.

I am very sorry it took so long to get a response.

Good afternoon;  
This is actually good news: The WCW FOIA deadline has been extended to August 31.  
Thank you, Norm.

Cheers;
